I am a highly motivated Test Analyst who is devoted to all activities related to my field of work. I have a proven track record in software testing life cycle, quality assurance and test result analysis amongst others. I possess strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged to grow and further improve my skills. My greatest desire in life is using my technical snow-how to benefit others and organisations.
